TALINT : TAX COMPLIANCE & ADVISORY

We are specialized in tax assistance (and legal basis work such as drafting intercompany contracts, minutes, corporate secretarial work, various mandatory publications, assistance in setting up a company, etc.).

We leave the mere accounting work to our colleagues specialists in this matter.

TAX ASSISTANCE FOR START-UPS

Assistance and advisory work in tax matters for starting companies or fast growing companies that are not adequately structured taxwise.

TAX ADVICE

All kinds of advisory work on tax issues and consequences of proposed or implemented structures, salary optimization, and tax related matters.

PREPARATION OR REVIEW OF TAX RETURNS

Individual (resident or nonresident) tax returns, Corporate or branch income tax returns, and assistance upon tax audits.

INTERNATIONAL TAX ISSUES

Assistance from a Belgian tax point of view, Eventually with cooperation of foreign offices.

ASSISTANCE TO FOREIGN EXECUTIVES

Applying for the special tax status, hypothetical and payroll tax computations, tax return preparation and filing, and tax audits.

TAX OPTIMIZATION

Optimize taxes and tax burden where possible, for companies as well as for international groups, and individuals (executives, managers, employees, independents).

TAX DUE DILIGENCE

Due diligence upon mergers and acquisitions.

PREPARING AND FILING TAX FORMS

All mandatory forms from a tax point of view (withholding taxes, commission forms, certificates,...)
